4 **THE COURT:** Just couple a couple of preliminary
5 comments.6 First of all, the reason that I set all of these on the
7 calendar is because I wanted to understand from the
8 Government's perspective why all of them were related in one
9 way, shape, or form. I hadn't received any specific
10 information on that because we had -- the Court had received
11 some informal information on that issue, and I thought if I
12 wanted to know, then all of you might want to know as well.13 So I appreciate the filing of the Government at Docket 52
14 in the 21-311 case. That certainly gave me some information.
15 And I hope that by the end of today's proceedings, all of you
16 will have a measure more of information.17 As Frances has indicated to you, what we'll do here is go
18 ahead and call cases in numerical order. To the extent that
19 you're with the Government and you're on multiple cases, feel
20 free to keep your video on once you come on.21 For those of you, the defendants' attorneys, you'll know
22 that your number is coming up so you can turn it on a little
23 bit early if you want so we can move through these more
24 quickly.

25 I know most of you so it will be fun for me to say hello

1 to you, but some of you I don't know, and I've not met you.
2 Some of you are from the San Jose panel, and I'm not as
3 familiar with folks from that panel.

4 Anyway, that is the goal of today for me, is to have a
5 complete understanding of the totality of these cases, to get
6 you some dates, and then to think about next steps, whether
7 it's in individual cases or groups of cases. All right. So
8 that's the overview.

9 We will start with 21-311. If you want to turn on your
10 videos, and Ms. Stone can direct you.

11 I should also say at the beginning here, in case you don't
12 know, Frances Stone is retiring on December 31st after 31 years
13 of service. So we are incredibly -- I've been trying to
14 celebrate Frances for the last month. I think it's my way of
15 mourning that I won't be able to work with her anymore.

16 My new CRD, Aris Garcia, is listening in and is backup
17 right now for Frances, who is training him.

18 So, anyway, I just wanted you all to know that. I know
19 many of you have worked with Frances for many years. We had
20 Judge Jensen come back, too, and congratulate Frances a couple
21 weeks ago.

22 She has been a terrific face for this court. She's been
23 an incredible servant of the court family. And we are
24 incredibly thankful and deeply appreciative for all that she's
25 done for the last 31 years.

1 Okay. Frances, 21-311.

2 **THE CLERK:** Okay. So I will individually call each
3 defendant and have people appear, do it that way, Your Honor?

4 **THE COURT:** Yes.

5 **THE CLERK:** Okay. All right.

6 Calling Criminal Action 21-311, United States vs. Jose
7 Garcia.

8 Counsel.

9 **MS. OVERBECK:** Good morning, Your Honor. This is Mari
10 Overbeck appearing for the United States.

11 **MR. GOLDROSEN:** Good morning, Your Honor. This is
12 Mark Goldrosen appearing for Jose Garcia. He is present by
13 phone.

14 And congratulations to Frances, and thank you for all your
15 help over the years.

16 **THE CLERK:** All right.

17 And then Juan Gonzalez in the same case.

18 **MR. GOLDROSEN:** Your Honor, this is Mark Goldrosen
19 again, and I'm specially appearing for Adam Pennella. He
20 represents Juan Gonzalez, and I assume Juan Gonzalez is also on
21 the phone as well.

22 **THE COURT:** So we can continue to move along, all of
23 the defendants' appearances are waived for this particular
24 proceeding. Many of them are incarcerated and detained and
25 don't have access, but, in any event, thank you for letting me

1 know, Mr. Goldrosen.

2 Okay.

3 **THE CLERK:** Defendant Paul Valenzuela.

4 **THE COURT:** Mr. Berson, good morning. I see you.

5 You're muted.

6 **MR. BERSON:** Pardon me. Can you hear me now?

7 **THE COURT:** I can, sir.

8 **MR. BERSON:** Good morning. Mr. Valenzuela is my
9 client.

10 And I already objected directly to Ms. Stone about her
11 retirement plans so...

12 **THE COURT:** All right.

13 **MR. BERSON:** I'm very sorry to see her go.

14 **THE CLERK:** Thank you.

15 All right. Defendant Caleb Eller.

16 **THE COURT:** Do we have anyone for -- not yet? Okay.
17 How about next?

18 **THE CLERK:** Kyle Leonis, "Lee-on-is," L-E-O-N-I-S.

19 **MR. DeFILIPPIS:** Good morning, Your Honor. Steve
20 DeFilippis appearing for Mr. Leonis.

21 **THE COURT:** Good to meet you, sir.

22 **MR. DeFILIPPIS:** Good to meet you as well.

23 **THE CLERK:** Defendant Juan Dominguez.

24 **MR. DRESSLER:** Good morning. Alan Dressler appearing
25 for Mr. Dominguez.

1 And I have been appearing in front of Ms. Stone for all of
2 the 31 years that she's been a clerk.

3 **THE COURT:** Good to see you, Mr. Dressler.

4 All right. Next case, this is the 21-312 case. Those on
5 21-311 can take your video down, and we will start with 312.

6 **THE CLERK:** This is U.S. vs. Joshua Hernandez.

7 **MS. OVERBECK:** Good morning again, Your Honor. This
8 is Mari Overbeck appearing on behalf of the United States.

9 **THE COURT:** Good morning, Your Honor.

10 **MR. RUBINO:** Good morning, Your Honor. Kevin Rubino
11 also appearing on behalf of the United States.

12 **THE COURT:** Which office are you in, Mr. Rubino?

13 **MR. RUBINO:** San Francisco.

14 **THE COURT:** Okay. Good to meet you.

15 **MR. RUBINO:** Likewise.

16 **THE COURT:** All right.

17 Mr. Stephanian, you're first up, sir. Good morning.

18 **MR. STEPHANIAN:** Good morning, Your Honor. I
19 represent Joshua Hernandez, who presently has fugitive status.

20 **THE COURT:** Okay.

21 **MR. STEPHANIAN:** And good luck to Frances.

22 **THE CLERK:** Okay. Thank you.

23 Giovanni Coria, C-O-R-I-A.

24 **MS. SHIFMAN:** Good morning, Your Honor. Gail Shifman
25 on behalf of Mr. Coria. We agree to proceed on the Zoom

1 platform because of the pandemic. He is not actually on the
2 phone. His appearance is waived.

3 And I do want to thank Frances for all her help and for
4 putting up with me all these years.

5 **THE COURT:** Good morning, Ms. Shifman. Good to see
6 you.

7 **MS. SHIFMAN:** Same here, Your Honor.

8 **THE CLERK:** All right. Thank you.

9 Defendant Andrew Anchondo.

10 **MR. VAUGHNS:** Good morning, Your Honor. Phil Vaughns
11 on behalf of Mr. Anchondo.

12 And like everyone else, I'm not so much as sad Frances is
13 leaving as much as I'm glad that she has been with us for 30
14 years.

15 **THE COURT:** Well said, Mr. Vaughns. Good morning.

16 **THE CLERK:** And I skipped Defendant Charles Pineda.
17 He was Defendant 3. Charles Pineda.

18 (Music playing in the background)

19 **THE CLERK:** I don't know what that is. I'm going to
20 mute that. I don't know if that call is on call-waiting.

21 Okay. We'll go to Defendant Eliseo Martinez.

22 **THE COURT:** Hold on. So I think Mr. Lindstrom, are
23 you here with respect to Mr. Pineda? And you're muted, sir.

24 **MR. KOLLER:** How does that work?

25 **THE COURT:** That's better. Thank you.

1 **MR. KOLLER:** My name is Ben Koller. I'm appearing
2 specially for Mr. Lindstrom -- and it's K-O-L-L-E-R -- on
3 behalf of Mr. Pineda.

4 **THE COURT:** Okay. Thank you, sir. Good morning.

5 **MR. KOLLER:** Thank you. Good morning.

6 **THE CLERK:** And then Eliseo Martinez. I don't know if
7 anybody is assigned to that one yet.

8 **THE COURT:** I don't think so.

9 **MS. SHIFMAN:** Actually there is. It's Bruce Funk, I
10 believe.

11 Is that correct, Mr. Rubino?

12 **MR. RUBINO:** It is.

13 Your Honor, Mr. Funk just emailed me suggesting that he
14 may be having technical difficulties accessing. I re-sent him
15 the Zoom login information so hopefully he will sign in before
16 the hearing is concluded.

17 **MS. SHIFMAN:** In the interim, I will specially appear
18 for Mr. Funk.

19 **THE COURT:** Thank you.

20 **THE CLERK:** And then Defendant Nicholas Mendez.

21 **MR. THOMSON:** James Thompson on behalf Mr. Mendez.
22 Frances, safe travels.

23 **THE COURT:** Good to see you, Mr. Thompson.

24 **MR. THOMSON:** You as well, Your Honor.

25 **THE COURT:** All right. Next case.

1 **THE CLERK:** Criminal 21-325. First defendant, U.S.
2 vs. Jaime Ontiveros. I'm not sure if that's assigned yet.

3 **MR. BACKHUS:** Good morning, Your Honor. Jeffrey
4 Backhus for the United States. I'm with the San Jose office.

5 **THE COURT:** I'm sorry, sir. How do you spell your
6 name?

7 **MR. BACKHUS:** Backhus, B-A-C-K-H-U-S, for the
8 United States, again with the San Jose office. Good morning.

9 **THE COURT:** Okay. Good morning. Good to meet you.

10 **MR. BACKHUS:** Good to meet you, Your Honor.

11 **THE COURT:** Do we have someone for Jaime Ontiveros?
12 Has he been --

13 **MR. BACKHUS:** No, Your Honor. I believe that he is
14 fugitive status right now. I don't believe there is anyone
15 assigned as of yet.

16 **THE COURT:** How about Jonathan Lee?

17 **MR. BACKHUS:** The same.

18 **THE CLERK:** All right. So Defendant Jaime Medina
19 Hernandez.

20 **MR. LYONS:** Yes, Your Honor. My name is Robert Lyons,
21 and I'm appearing on his behalf. He should be available.

22 **THE COURT:** Okay. Good morning, Mr. Lyons.

23 **MR. LYONS:** Good morning, Judge.

24 **THE COURT:** All right. Next.

25 **THE CLERK:** Clemente Garcia Barraza.

1 **MS. McGLENON:** Good morning, Your Honor. Ann McGlenon
2 for Mr. Garcia Barraza. His appearance is waived. And --
3 that's it. Thank you.

4 **THE COURT:** Good to meet you, Ms. McGlenon.

5 **MS. McGLENON:** Good to meet you. Thank you.

6 **THE CLERK:** All right. Defendant Luis Quiros,
7 Q-U-I-R-O-S.

8 **THE COURT:** The next series -- we have a series of
9 individual defendants, so if you --

10 **THE CLERK:** Sorry.

11 **THE COURT:** If you want to come on in, if you've got
12 an individual defendant, that's fine.

13 We have Mr. Rubino for the Government; is that right?

14 **MR. RUBINO:** Yes, Your Honor. Good morning.

15 **THE COURT:** Good morning.

16 **MR. PRATHER:** And good morning, Your Honor. Edwin
17 Prather on behalf of Luis Quiros, whose appearance has been
18 waived.

19 And I add my congratulations to Ms. Stone. Thanks for
20 your years of service.

21 **THE COURT:** Mr. Prather, good morning.

22 **MR. PRATHER:** Good morning, Judge.

23 **THE CLERK:** Thank you.

24 The next case, 21-328, U.S. vs. David Cervantes. This is
25 the multiple defendant one.

1 **THE COURT:** Yes. That's right. Sorry about that.

2 **MS. CORNELL:** Good morning, Your Honor. Erin Cornell
3 for the United States.

4 **THE COURT:** Ms. Cornell, good morning.

5 **MR. RUBINO:** And Kevin Rubino also for the
6 United States on this matter.

7 **MS. OVERBECK:** And likewise, this is Mari Overbeck
8 again for this matter appearing on behalf of the United States.

9 **THE COURT:** Okay. And is there still a Katherine
10 Griffin for the Government on this case?

11 **MS. CORNELL:** No longer, no. She is no longer working
12 on this case.

13 **THE COURT:** Okay. Thank you.

14 All right. So we will start with the first defendant
15 named David Cervantes.

16 **MR. REICHMUTH:** Good morning, Your Honor. John Paul
17 Reichmuth for David Cervantes, who is not present.

18 And congratulations and thank you very much, Ms. Stone.

19 **THE COURT:** Good morning, Mr. Reichmuth.

20 **THE CLERK:** Thank you.

21 All right. Defendant Antonio Guillen.

22 **MS. MOEEL:** Good morning, Your Honor. Shaffy Moeel
23 for Mr. Guillen.

24 I'm also making a couple special appearances, and I can
25 state them now or later in order, however the Court likes.

1 **THE COURT:** It might be easier for Ms. Stone,
2 Ms. Moeel, for you to do it once the name is called.

3 **MS. MOEEL:** Sure. Thank you.

4 **THE COURT:** Good morning.

5 **THE CLERK:** Okay. Defendant James Perez.

6 **MR. BABCOCK:** Good morning, Your Honor. Erik Babcock
7 for Mr. Perez, who is not present.

8 **THE COURT:** Good morning, Mr. Babcock.

9 **THE CLERK:** Okay. Defendant Samuel Luna.

10 **MS. KANE:** Good morning, Your Honor. Miranda Kane on
11 behalf of Mr. Luna, who is not present.

12 And thank you very much, Frances, for all your hard work
13 over these years.

14 **THE CLERK:** Thank you.

15 And Defendant Guillermo Solorio, which is Ms. Pollock's
16 case; however --

17 **MR. JORDAN:** Correct, Your Honor, but this is John
18 Jordan. I'm appearing specially on her behalf with the Court's
19 permission.

20 And I would like to add my good wishes to Ms. Stone.

21 **THE COURT:** Thank you, Mr. Jordan.

22 **THE CLERK:** Okay. Defendant Trinidad Martinez.

23 **MS. SPENCER:** Good morning, Your Honor. Michelle
24 Spencer appearing on behalf of Mr. Martinez, who is not
25 present.

1 **THE COURT:** Good morning, Ms. Spencer. It's good to
2 meet you.

3 **MS. SPENCER:** You too, Your Honor.

4 **THE CLERK:** And then Defendant George Franco.

5 **MR. RORTY:** Good morning, Your Honor. Jay Rorty for
6 George Franco, who is not present.

7 **THE COURT:** Okay, Mr. Rorty. Good morning. Good to
8 meet you.

9 **MR. RORTY:** You as well.

10 **THE CLERK:** Defendant Steven Trujillo.

11 **MR. PLOTSKY:** Your Honor, David Plotsky. I'm
12 representing Mr. Trujillo. Pleased to meet you, Your Honor.

13 **THE COURT:** Good to meet you, too, Mr. Plotsky. Good
14 morning.

15 **THE CLERK:** Defendant Salvador Castro.

16 **MR. WOODSON:** Good morning, Your Honor. Charles
17 Woodson on behalf of Mr. Salvador Castro, Jr., who is not
18 present.

19 And congratulations, Ms. Stone.

20 **THE COURT:** Good morning, Mr. Woodson.

21 **THE CLERK:** Defendant Bryan Robledo.

22 **MS. ARLIDGE:** Yes. Carleen Arlide for Mr. Robledo.

23 **THE COURT:** Ms. Arlide, good morning. Good to meet
24 you.

25 **MS. ARLIDGE:** Good morning. We've met a long time

1 ago, Judge. Thank you.

2 **THE CLERK:** Defendant Alex Yrigollen.

3 **MR. ARIAN:** Good morning, Your Honor. Peter Arian on
4 behalf of Alex Yrigollen. He is not present.

5 I don't know Frances that well, but best of luck in
6 whatever she does.

7 **THE COURT:** Thank you, Mr. Arian. Good morning.

8 **THE CLERK:** Defendant Juan Soto.

9 **MS. MOEEL:** Good morning, Your Honor. Shaffy Moeel
10 appearing for Erick Guzman on behalf of Mr. Soto.

11 And I forgot to say, but, Frances, thanks for your
12 kindness these last ten years that I have known you.

13 **THE COURT:** Thank you, Ms. Moeel.

14 **THE CLERK:** Defendant Edgardo Rodriguez.

15 **MR. KALAR:** Good morning, Your Honor. Steve Kalar on
16 behalf of Mr. Rodriguez, who is not present.

17 **THE COURT:** Good morning, Mr. Kalar. I don't know you
18 at all, do I?

19 **MR. KALAR:** No. I look forward to making your
20 acquaintance, Your Honor.

21 **THE COURT:** All right. Next.

22 **THE CLERK:** Defendant Robert Maldonado.

23 **MR. FLANAGAN:** Good morning, Your Honor. Mark
24 Flanagan and Julius Jefferson on behalf of Maldonado.

25 **THE COURT:** Good morning, Mr. Flanagan. Good to meet

1 you.

2 **MR. FLANAGAN:** Likewise.

3 **THE CLERK:** Defendant Eric Zarate.

4 **MR. JORDAN:** John Jordan on behalf of Mr. Zarate.

5 He's not present.

6 **THE COURT:** Good morning again.

7 **THE CLERK:** Okay. Defendant Rocky Bracamonte.

8 **MR. GUILMARTIN:** Good morning, Your Honor. Alexander
9 Guilmartin for Mr. Bracamonte.

10 **THE COURT:** Okay. Good morning, Mr. Guilmartin.

11 **THE CLERK:** Defendant Joshua Cortez.

12 **MR. VERMEULEN:** Good morning. Mark Vermeulen for
13 Joshua Cortez.

14 I wish you the best, Frances, in the years ahead.

15 **THE COURT:** Mr. Vermeulen, good morning.

16 **THE CLERK:** All right. Defendant William Rodriguez.

17 **MS. COOPERSMITH:** Good morning, Your Honor, and
18 Ms. Stone. Alanna Coopersmith on behalf of William Rodriguez,
19 who is not present.

20 **THE COURT:** Good morning.

21 **THE CLERK:** Okay. And then Defendant --

22 **THE COURT:** Go ahead.

23 **THE CLERK:** Defendant Marvin Rodriguez. I don't know
24 if there has been --

25 **THE COURT:** Has there been an appointment?

1 **MR. ARIAN:** Your Honor, I believe that the Defendants
2 Rodriguez and Mora are in fugitive status, and they have not
3 been appointed counsel.

4 **THE CLERK:** I will just say same the name for the next
5 one. Cristian Mora, which -- fugitive status. Okay.

6 And then Defendant Martin Joseph Ruppel or "Rup-el."

7 **MS. MOEEL:** Good morning, Your Honor. I understand
8 that this was Mr. Sugarman's case, and he has been replaced,
9 but he has asked me to stand in for him until he --

10 **THE COURT:** Replaced by whom? I had Mr. Sugarman on
11 this one, Ms. Moeel.

12 **MS. CRAIG:** Your Honor, this is Amy Craig. I have
13 been asked to be appointed as counsel for Mr. Ruppel.
14 Mr. Sugarman filed a motion to withdraw as counsel due to a
15 conflict yesterday. I believe it's Docket 173.

16 **THE COURT:** Okay. And, Ms. Craig, you are being
17 appointed through the CJA program; right?

18 **MS. CRAIG:** Yes, Your Honor.

19 **THE COURT:** Okay. That motion is granted, and your
20 appointment is approved.

21 **MS. CRAIG:** Thank you, Your Honor.

22 **THE COURT:** Thank you. Welcome aboard.

23 **THE CLERK:** Defendant Anaelisa Cuevas.

24 **MR. ARIAN:** Peter Arian specially appearing for
25 Richard Tamor for Anaelisa Cuevas. My understanding is

1 Ms. Cuevas is not present before the Court.

2 **THE COURT:** Okay.

3 Next case.

4 **THE CLERK:** Defendant Mike John Guerrero.

5 **MR. KASSABIAN:** Good morning, Your Honor. Daniel
6 Kassabian for the Government.

7 **THE COURT:** Good morning. Which office are you in,
8 sir?

9 **MR. KASSABIAN:** The San Jose branch.

10 **THE COURT:** Thank you.

11 **MR. ARIAN:** Your Honor, Peter Arian specially
12 appearing for Caleb Lin who is attorney of record for
13 Mr. Guerrero. Mr. Guerrero is not present.

14 **THE COURT:** Okay. Thank you.

15 **MR. KASSABIAN:** Your Honor, my understanding was that
16 a substitution of counsel motion had been filed and that that
17 would be taken care of now.

18 **MR. ARIAN:** That is correct, Your Honor. My
19 understanding is that the attorney substituting in, who is
20 Emily Dahm, is not present today, and as such, I don't know if
21 the Court can make that substitution for this hearing -- or at
22 this time.

23 **THE COURT:** Yeah. I don't think -- I take it -- if
24 she's not here, then no, I can't. All right.

25 **THE CLERK:** Nicole Alexandra McCabe. This is case

1 21-339.

2 **MR. KASSABIAN:** Good morning, Your Honor. Daniel
3 Kassabian again for the Government. I will also note that I
4 believe I'm counsel for the Government on the remainder of the
5 cases.

6 **THE COURT:** Okay.

7 **MR. TABACK:** And good morning, Your Honor. Harris
8 Taback appearing via Zoom in light of the global pandemic for
9 my client, Ms. McCabe. I believe she is joining us on the
10 phone for purposes of this appearance.

11 And if I may just have a moment to thank Ms. Stone for
12 just all the kindness she's shown me in the past 31 years and
13 to congratulate her on a career extremely well done. Thank
14 you, Ms. Stone.

15 **THE CLERK:** Thank you.

16 **THE COURT:** Thank you, Mr. Taback. Good morning.

17 **THE CLERK:** And so criminal case 21-344, U.S. vs. Evan
18 Kobayashi case.

19 **THE COURT:** I think we have 340 first, Frances.

20 **THE CLERK:** Did I skip one?

21 **THE COURT:** Well, maybe he's still on fugitive status.
22 21-340, U.S. vs. Javier Pacheco. Is that fugitive status,
23 Mr. Kassabian?

24 **MR. KASSABIAN:** Yes, Your Honor. Actually, those
25 three are. Mr. Javier Efren Pacheco, Michael Paul Stephens,

1 and Ramiro Velasco, Jr., et al., are all in fugitive status.

2 **THE COURT:** All right. So those respectively are
3 21-340, 21-341, and 21-342, which takes us now back to 21-344.

4 Thank you, Frances. You can go ahead.

5 **THE CLERK:** All right. And so Evan Kobayashi is the
6 defendant.

7 **MR. GOHEL:** Yes. Good morning, Your Honor. Jai Gohel
8 for Mr. Kobayashi. His presence is waived.

9 I'm sorry I'm not on video, Your Honor. I'm in trial out
10 of the area, and I'm having some technical difficulties, so
11 please indulge me.

12 **THE COURT:** Good morning, sir. Thank you.

13 **THE CLERK:** Okay. And then 21-345, U.S. vs. Felipe
14 Munoz case.

15 **MR. GUY-SMITH:** Good morning, Your Honor. Gregor
16 Guy-Smith on behalf of Mr. Munoz, who is presently in custody.

17 **THE COURT:** Good morning, Mr. Guy-Smith.

18 **MR. GUY-SMITH:** And, Frances, be well, stay well,
19 travel well. It's been a pleasure these many years.

20 **THE CLERK:** Thanks.

21 All right. And then criminal action 21-345, United States
22 vs. Cris Eric Moreno. And I don't know if there is a fugitive
23 status or assignment.

24 **MR. KASSABIAN:** Fugitive status. Thank you.

25 **THE CLERK:** Okay.

1 And then criminal action 21-346, United States vs.
2 Rosemarie Ramirez case.

3 **MS. COMSTEDT:** Good morning, Your Honor. Darlene
4 Comstedt on behalf of Ms. Ramirez, whose presence has been
5 waived.

6 **THE COURT:** Good morning, Ms. Comstedt. I know the
7 name. Good to meet you.

8 **MS. COMSTEDT:** You, too.

9 **MS. YOUNG:** Good morning, Your Honor. Vicki Young
10 appearing on behalf of Genny Carranza, whose appearance has
11 been waived.

12 **THE COURT:** Good morning. Same with you
13 Ms. Young. Know the name. Good to meet you.

14 **MS. YOUNG:** Thank you.

15 **THE CLERK:** Calling criminal action 21-347, U.S. vs.
16 Max Augusto Urbina, and I'm not sure if that's assigned yet.

17 **MR. LYONS:** Your Honor, Robert Lyons here. He would
18 have been my client, but he has -- he's in custody in Ukiah
19 under a 1368 competency hold in a state case, and so I cannot
20 do anything with him until he's restored to sanity and brought
21 before the Court.

22 **THE COURT:** So, Mr. Lyons, I had you with Marco Urbina
23 not Max Urbina; is that correct?

24 **MR. LYONS:** I am with Marco, and he is present, so I
25 would be more than happy to have him call.

1 **THE COURT:** Okay. So we'll note that for the record,
2 Frances.

3 **THE CLERK:** Okay.

4 **THE COURT:** Mr. Lyons is here on behalf of Marco
5 Urbina. I guess Max Urbina is just not in front of the Court
6 then.

7 **MR. LYONS:** No, he's not, Judge.

8 **THE COURT:** And, Mr. Kassabian, are you aware of the
9 custodial status then of Max Urbina?

10 **MR. KASSABIAN:** Yes, Your Honor. I've been in touch
11 with the prosecutor in Mendocino County and the public defender
12 assigned to his case. My understanding is that he will remain
13 in that status until restored up to two years.

14 **THE COURT:** Okay.

15 All right, Frances.

16 **THE CLERK:** And then there's a couple magistrate judge
17 cases. Should I go ahead, Your Honor, and call those?

18 **THE COURT:** Sure, if there are people here on those
19 matters.

20 **THE CLERK:** All right. The first one is 21-mj-71438,
21 U.S. vs. Hector Garcianava.

22 **MR. BUENAVENTURA:** Yes. Good morning, Your Honor. My
23 name is Ray Buenaventura, and I represent Mr. Garcianava, who
24 is not present.

25 It's a pleasure to meet you today.

1 **THE COURT:** It's good to meet you, too, sir.

2 **THE CLERK:** I'm not sure. The U.S. Attorney, is that
3 Mr. Kassabian?

4 **MR. KASSABIAN:** Yes, Your Honor. I'm on this case
5 along with my colleague, Christopher Lee, not present today.

6 **THE CLERK:** Okay. And then the next magistrate case
7 21-mj-71467. That's U.S. vs. Glendelia Faz.

8 **MR. LYONS:** Yes, Your Honor. Robert Lyons on her
9 behalf. She should be available.

10 **THE CLERK:** And then the other defendant in that
11 case --

12 **MS. PEREZ:** So --

13 **THE CLERK:** Sorry.

14 **MS. PEREZ:** Sorry, Your Honor. Maia Perez on behalf
15 of the United States as well.

16 **MR. KASSABIAN:** I'm also on this case, Your Honor.
17 Thank you.

18 **THE CLERK:** Excuse me. Sorry.

19 And so the other defendant in the 71467 case is Jorge Luis
20 Solorio-Mendoza.

21 **MS. LEONIDA:** Good morning, Your Honor. Ellen Leonida
22 for Jorge Solorio.

23 And I want to thank Frances for all of her hard work and
24 her kindness to me for these ten years that I've known you,
25 especially the first ones, when I really needed it. You're

1 leaving a huge hole in the heart of this court.

2 **THE COURT:** Hi, Ms. Leonida. It's been a while.

3 Welcome back. Or at least on my platform.

4 Okay. I think that is all.

5 **MR. FUNK:** Your Honor, I apologize. This is Bruce
6 Funk, and I represent Eliseo Martinez, and I think you probably
7 called the case before I was able to get this special Zoom
8 link.

9 **THE COURT:** Yes.

10 **MR. FUNK:** That's on the Joshua Hernandez, et al.,
11 case.

12 **THE COURT:** I see you now. Got you. Thank you very
13 much. Good to meet you, Mr. Funk.

14 **MR. FUNK:** Nice to meet you. I apologize. I was
15 waiting on the wrong Zoom link. I apologize.

16 **THE COURT:** No worries.

17 Okay. So I think that there needs to be a series of
18 orders done -- issued with respect to all of these cases. If
19 we can have -- do we have the discovery coordinator here as
20 well?

21 **MR. ELLIS:** Good morning, Your Honor. John Ellis.

22 **THE COURT:** Good morning, Mr. Ellis.

23 So Mr. Ellis has been appointed on some of these cases but
24 not all of them, and we should deal with that just as a
25 procedural matter with respect to any of the cases that he

1 should be appointed to.

2 I would ask the Government -- and I don't know if you've
3 coordinated among yourselves who is going to be primarily
4 speaking, but I would ask just to you first whether you have
5 anything to add to informing the Court about how these cases
6 all relate to each other that you didn't put in your filing
7 from December 14th.

8 **MR. RUBINO:** Good morning, Your Honor. Kevin Rubino.
9 I can address that question.

10 I don't think we have anything to add at this point, but
11 we certainly welcome any questions the Court may have about any
12 additional information about the individual cases or the
13 relationship among them.

14 **THE COURT:** What I would say with respect to the
15 Defense counsel, if you have a question, then I would suggest
16 you turn on your video so that questions can be asked of the
17 U.S. Attorneys. Obviously you ask to me as opposed to the U.S.
18 Attorney, just like you would do in court.

19 Ms. McGlenon.

20 **MS. McGLENON:** Your Honor, I have received no
21 discovery. It was not until I was contacted by Ms. Shifman,
22 November 29th, that I recognized the possible -- what the
23 connection might be, but I have no idea even what quantity of
24 drugs my client is alleged to have participated in.

25 I don't know whether I am one of the people who is going

1 to get discovery from Mr. Ellis. I have heard nothing other
2 than that Mr. Backhus has said that he would get me discovery
3 as soon as possible, and that was the day after I was
4 appointed, which was quite some time ago.

5 So I just wanted to bring that to the attention of the
6 Court and counsel because there is due process involvement. I
7 would like to get some discovery. I'd like to at least be able
8 to advise my client of potential sentences.

9 Thank you.

10 **THE COURT:** Okay. And I think what will probably be
11 helpful, just with respect to my own spreadsheet, is if you
12 identify your case number first because I've got two pages of
13 lawyers and cases.

14 **MS. McGLENON:** I apologize. I'm on 325 for
15 Mr. Clemente Garcia Barraza.

16 **THE COURT:** Great. Thank you.

17 All right. So we are going to deal with discovery issues.

18 Other questions from Defense counsel? No.

19 All right. Just turn on your video if -- Mr. Guy-Smith.

20 **MR. LYONS:** Your Honor, this is Robert Lyons.

21 **THE COURT:** Not your turn, Mr. Lyons. Not your turn.

22 Mr. Guy-Smith.

23 **MR. GUY-SMITH:** Yes. This is for 345, Munoz.

24 On the 18th of November I received a letter with an index
25 concerning the discovery that I was to receive. On the 24th of

1 November, I received a modified letter that deleted discovery
2 that I was to receive.

3 The discovery that has been deleted is pertinent and
4 germane to -- specifically to my client because it includes my
5 client's likeness by way of video and my -- and allegedly one,
6 if not two, audios in which my client's voice apparently must
7 be on them.

8 And I'd like to know when I can get those items of
9 discovery so I can share them with my client and discuss the
10 particulars of his case.

11 **THE COURT:** Okay.

12 Mr. Lyons.

13 **MR. LYONS:** Yes. Robert Lyons here, Judge.

14 **THE COURT:** Question?

15 **MR. LYONS:** I was simply going to add that Cindy
16 Diamond is going to be coming into this case as associate
17 counsel for me to assist me with the vast discovery on the
18 various clients, so I just want to make that clear. She will
19 be filing a notice very shortly about that.

20 **THE COURT:** Okay.

21 **MR. LYONS:** Thank you.

22 **THE COURT:** Mr. Arian?

23 **MR. ARIAN:** Thank you, Your Honor.

24 I understood the Court's question to be questions about
25 the relation between the cases, but if it's open season, may I

1 address a couple issues?

2 **THE COURT:** It's open season, as you call it. I'm
3 just taking notes at this point, and once I get enough
4 questions, then I'll try to put some structure around it.

5 Go ahead, Mr. Arian.

6 **MR. ARIAN:** Thank you.

7 I've been asked to speak on behalf of the clients in
8 21-328 -- primarily speak. I'm sure other people might want to
9 chime in. Those are the Atwater clients, Your Honor. Our
10 clients were, for the most part, I think with several
11 exceptions, CDCR inmates who were transferred or being housed
12 in Atwater, California.

13 As relates to discovery, we have received, through
14 Mr. Ellis, an initial production and a secondary production,
15 although we have not received the link for the secondary
16 production on the Cloud.

17 The issues that are coming up for the most part, as I
18 understand them, as relates to discovery are technical on one
19 end as to the second production. We're trying to work through
20 the usual type of issues that occur when you have several
21 thousand pages of documents that are being provided to a number
22 of different people. However, this Court did sign a protective
23 order.

24 And the second issue is that -- I'm flagging for the Court
25 but not bringing now -- and I think we're going to have to go

1 back and work it out with the Government -- is at the initial
2 glance, I think we have around 2,000 pages or just short of
3 2,000 pages, which have been deemed sensitive under the
4 protective order, and about 55 which are non-sensitive. And
5 we're going to have to go back to the Government and meet and
6 confer and look at that designation because the way the
7 protective order works, we cannot provide sensitive documents
8 to our clients who are housed far away, and we're going to have
9 to go page by page through those documents as we prepare these
10 pleadings. It's really difficult.

11 That segues into the second issue which I wish to talk to
12 the Court about, which is that we are working to meet and
13 confer with the United States Marshal about the limited access
14 to computers and discovery that our clients have in their
15 current conditions of confinement. And I know that's not ripe.
16 I know that's something we have to take up with the marshal and
17 work out. I'm just flagging this for the Court because you're
18 going to have to set a future date and ostensibly set dates on
19 a wiretap motion at some point down the line. We're not there
20 yet. We haven't gotten the applications or the entirety of the
21 applications yet, and, frankly, if it is as it currently is,
22 it's going to take us years to go through these wiretap
23 applications with our clients in a setting that's far away and
24 difficult to work through.

25 The final thing I wanted to say and bring up with the

1 Court was that I absolutely -- and I'm not going to belabor the
2 point. I absolutely understand that under Rule 43, the Court
3 can order these conferences without the presence of our
4 defendants. At least speaking for my client, what I know of
5 the other clients, our clients are fairly savvy and up on court
6 process, and they would really like to be here and have, you
7 know, the ability to have access to the Court and interact with
8 the Court and understand what's going on.

9 Several attorneys tried to get this livestreamed into
10 Atwater and that didn't work out. We received an email this
11 morning.

12 I think -- and I totally respect the Court on this. I'm
13 not trying to create a problem. We object to having this
14 conference without their presence. And I think --

15 **THE COURT:** Let me be clear, given that you've put an
16 objection on the record. The objection is overruled, and it's
17 noted for the record.

18 To the extent that -- this wasn't supposed to be hugely
19 substantive. I will say that off the bat. I was asked to
20 consider taking all of these cases, and when I started looking
21 at the dockets, they were going all over the board, and I had
22 no idea how all these things fit together.

23 So you can hold all your comments, and we will figure out
24 some way to provide audio access. And so we don't have to do
25 anything substantive today in that regard so that your clients

1 can have access, and clearly they can have a copy of the
2 omnibus statement that the Government provided.

3 But as an initial organizing measure, I was not prepared
4 to wait to do something in all of these cases. So --

5 **MR. ARIAN:** I understand, Your Honor, and I'm not
6 throwing stones. I'm just saying that --

7 **THE COURT:** You made an objection, Mr. Arian, and I
8 needed to deal with your objection, and the objection is
9 overruled.

10 **MR. ARIAN:** Very well.

11 **THE COURT:** And so, again, for purposes of the record,
12 we are still operating under General Order 74 and 78. We are
13 still in the midst of a pandemic. We are not doing any
14 proceedings in court other than pleas and sentencing. Status
15 conferences we have deemed are not -- there is not a
16 constitutional right to be physically present for them. We
17 have provided audio access for the public, and as a number of
18 people have told me, their clients are listening in. But given
19 the objection, I have to deal with it.

20 **MR. ARIAN:** I understand, Your Honor. And I -- you
21 know, I just want to express to the Court that my clients want
22 to be here. That's what I'm saying.

23 **THE COURT:** And you don't know me very well,
24 Mr. Arian, but I can tell you I bend over backwards to make
25 sure that defendants have access to proceedings, to their

1 lawyers, and so I'm fully aware of the need.

2 **MR. ARIAN:** Very well. Thank you for that,
3 Your Honor.

4 The last thing I just wanted to bring up before I pass on
5 the mic was I know the Court is going to set future dates. I'm
6 hopeful -- we will order a transcript after this and give it to
7 our clients so that they know what went on today. And I'm just
8 hopeful that the Court understands that in setting a future
9 date, we're just at the beginning of this. And that --

10 **THE COURT:** I understand.

11 **MR. ARIAN:** All right. Thank you, Your Honor.

12 **THE COURT:** Ms. Shifman.

13 **MS. SHIFMAN:** Thank you, Your Honor. Gail Shifman on
14 behalf of Giovanni Coria. That's in case 312.

15 Your Honor, just briefly with regard to the defendants in
16 case 312, we've met and conferred. With regard to the
17 Government's supplemental notice regarding related cases or
18 status statement, however we want to refer to it, we don't have
19 any objection to the idea that our case and the other cases
20 where the wiretap evidence is substantial and overlaps -- that
21 those cases are related, and however the Court wants to proceed
22 in discussing whether those cases get set together or those
23 cases get set in separate court hearings, I think we're kind
24 of -- at this point at least when we're still in the
25 organizational phase of the case, we're open to whatever makes

1 the most sense, both from judicial economy and to ensure that
2 our clients have an opportunity to be heard at any hearing, if
3 that becomes necessary at any given hearing.

4 With regard to discovery, we've been in touch with
5 Mr. Ellis and his office. We know that the Government has one
6 large production that's gone his way. That will take -- it's
7 mainly wiretap information. That includes affidavits.
8 Presumably that includes line sheets, periodic reports.
9 Presumably that includes interceptions.

10 Mr. Ellis is working, as I understand it, with his vendors
11 to get that together for distribution for us in the 312 case
12 and in other cases as he can describe to the Court. And we
13 appreciate that, and we appreciate that the -- and ask that the
14 Government continue to work closely with his office on the
15 technical issues. That would be a great timesaver.

16 I do want to join in. I think it's case 328, is the
17 Cervantes case. In the -- just teeing up the idea to the Court
18 so that you know this may become an issue, with regard to the
19 production that we've gotten to date, at least with regard to
20 the affidavits, they have been stamped confidential, sensitive
21 information, which is Category No. 4 in the protective order
22 which took, I don't know, four, six weeks to negotiate which by
23 Northern District standards is fast, and to get everybody to
24 sign onto it without any litigation, which was a miracle,
25 frankly.

1 It does appear that that -- in scrolling through it, that
2 it is also heavily redacted. I anticipate, obviously, several
3 meet-and-confers with the Government with regard to its
4 designation as sensitive information, which means we cannot
5 provide it under the terms of the protective order to our
6 clients, while it is at the same time heavily redacted. I'm
7 certainly not prepared to in substance talk about that and
8 wouldn't bring it back before the Court until after a number of
9 meet-and-confers, but I do see that as a potential issue here.

10 **THE COURT:** Thank you, Ms. Shifman.

11 Mr. Babcock.

12 **MR. BABCOCK:** Sorry, Your Honor. I didn't have
13 anything specifically to raise.

14 **THE COURT:** I saw your video was on, and that's the
15 way I'm --

16 **MR. BABCOCK:** Gotcha.

17 **THE COURT:** All right.

18 Ms. Comstock or Comstedt. Sorry.

19 **MS. COMSTEDT:** No problem.

20 Your Honor, I believe one of the matters that was going to
21 be discussed today was the relatedness or not of these cases,
22 and I just wanted to note for the Court prior to the case being
23 assigned to you in case 21-CR-346 on behalf of Ms. Ramirez and
24 also joined by co-defendant Ms. Carranza represented by
25 Ms. Young, we did file a notice of opposition to the relation

1 of the cases. And I just think it's worth noting, given the
2 Government's most recent pleading in advance of this omnibus
3 motion -- noting that with the exception of our two clients,
4 everybody has some gang relation or involvement with the
5 Nuestra Familia or one of the two gangs down in San Jose.

6 Our clients are very differently situated, and so -- as
7 evidenced by the Government's own pleading. I just wanted to
8 raise that for the Court's -- to the Court's attention.

9 **THE COURT:** Okay. So are you asking that the Court
10 send you back? And I'm not going to consolidate right now.
11 There's no basis upon which to consolidate everything.

12 All of this was done really for -- primarily for judicial
13 economy reasons and as a right. As you saw, the Executive
14 Committee of the Court issued the order relating all of the
15 district judges down in San Jose, signed it, and I agreed to
16 accept, and I signed it as well.

17 So I'm not exactly sure what the process would be to go
18 back to the Executive Committee and how we would untangle that
19 one case.

20 **MS. COMSTEDT:** And I'm not sure either. I just wanted
21 to note for the Court that given this additional information
22 that was presented by the Government in this most recent
23 pleading, I think it further supports our opposition that we --

24 **THE COURT:** Let me do it this way, because I don't
25 like to have outstanding gavels and motions.

1 I'm going to deny it as moot. If there is a basis upon
2 which you want to bring a new motion in front of me, then I
3 can't stop you from filing a new motion, but at least with
4 respect to that motion given where we are today, I'm going to
5 deny it as moot.

6 **MS. COMSTEDT:** Okay.

7 **THE COURT:** Okay. Thank you.

8 Mr. Guy-Smith, did you have another --

9 **MR. GUY-SMITH:** Yes, I did.

10 Since we were discussing issues concerning Title III, I
11 would like to know whether or not it's the Government's
12 intention that all Title III information will be distributed to
13 all defendants and that all Title III discovery is relevant to
14 all of the defendants, including the individual defendants in
15 this case.

16 **THE COURT:** I have that question as well,
17 Mr. Guy-Smith, so we will get to that.

18 **MR. GUY-SMITH:** Thank you.

19 **THE COURT:** Any other Defense lawyers want to put on
20 their video? No. All right.

21 Mr. Guzman? Okay.

22 Mr. Stepanian.

23 **MR. STEPHANIAN:** Yes, Your Honor.

24 Before we go any further, I would like some direction from
25 the Court with respect to my client, who is a fugitive. Does

1 the Court wish me to participate in hearings that are set in
2 the future or --

3 **THE COURT:** Mr. Stephanian, no, not -- no. We did get
4 your email, and you did tell us he was in fugitive status.
5 Given that you didn't know what was going on at this hearing,
6 that's why you got the email back to say if you wanted to stay
7 on, you were welcome to stay on, but there is no defendant
8 here, so there's nothing for you to really do.

9 **MR. STEPHANIAN:** Thank you. Thank you very much,
10 Your Honor.

11 **THE COURT:** All right.

12 Mr. Guzman, I take it that that was a mistake, to see your
13 video flash on and off?

14 **MR. GUZMAN:** That is correct, Your Honor.

15 **THE COURT:** All right. I think that the plan in terms
16 of the dissemination of discovery -- if the Government could
17 give me the overview.

18 And, Mr. Ellis, go ahead and put your video on as well.

19 I think we'd all like to know when discovery is going to
20 be produced and how much discovery is going to Mr. Ellis and if
21 it's being disseminated only to the cases involving wiretaps or
22 not.

23 You know, the Government chose to do this in bulk, and the
24 fact that it's been a month and some of these defendants
25 haven't received their discovery is a problem. If you choose

1 to act in this manner, you have to be ready to be producing
2 discovery.

3 So who is going to take the lead.

4 **MR. RUBINO:** Your Honor, I can start on that. This is
5 Kevin Rubino again.

6 The Government has produced to Mr. Ellis all of the T3
7 materials, the wiretap discovery, involving about 20 or so
8 interrelated wiretaps. That's about 7,000 files.

9 That group of discovery is ready to be produced to the
10 group of cases that we identified as the first group in the
11 most recent filing, the December 14th filing.

12 Mr. Ellis has not been appointed as coordinating discovery
13 attorney for all six of those cases. He's been appointed --

14 **THE COURT:** Let me do that right now. Let me do that
15 right now, and we can follow up, Mr. Ellis, with a formal
16 order, but you are hereby appointed, and to the extent not
17 otherwise appointed in 21-328, U.S. vs. Cervantes; 21-312, U.S.
18 vs. Hernandez; 21-311, U.S. vs. Garcia; 21-325, U.S. vs.
19 Ontiveros. And then the two I don't have -- let's get
20 Mr. Lyons, Ms. Leonida, Mr. Buenaventura on the platform.

21 **MR. LYONS:** Yes, Your Honor. Robert Lyons here.

22 **THE COURT:** Do you all want me to make that
23 designation and order now?

24 **MR. LYONS:** Yes.

25 **THE COURT:** Ms. Leonida?

1 **MS. LEONIDA:** Yes, Your Honor.

2 **THE COURT:** Mr. Buenaventura?

3 **MR. BUENAVENTURA:** Yes, Your Honor.

4 **THE COURT:** All right. The order is made. So --
5 okay. So we've taken care of that.

6 Keep going, Mr. Rubino.

7 **MR. RUBINO:** Yes, Your Honor. Thank you.

8 Mr. Ellis already had been appointed as coordinating
9 discovery counsel for three of those six cases. I understand
10 your intention is to appoint him as coordinating discovery
11 counsel for the other three. That will be the initial bulk of
12 discovery for those cases.

13 Going forward with respect to this first group of cases,
14 it's our expectation that the discovery will diverge somewhat;
15 that is, it will not be as heavily overlapping as this first
16 batch of discovery, and we're expecting that to produce -- to
17 provide Mr. Ellis with those second rounds of discovery, again
18 to be distributed to those smaller groups.

19 The primary holdup, to the extent there was one, was
20 simply getting together the protective order, as Ms. Shifman
21 described, and we were glad to have negotiated a unitary
22 consistent protective order across the different cases allowing
23 us to make consistent productions and designations. But now
24 that initial batch of discovery has been provided to Mr. Ellis,
25 and hopefully, if they haven't already, that entire group of

1 defendants in that first group will receive that discovery,
2 approximately 40 defendants.

3 As far as the second group of defendants, I understand
4 initial discovery has been made, but I will hand it over to my
5 colleague, Mr. Kassabian, to address the discovery to date on
6 that second group of cases involving largely one- or
7 two-defendant cases.

8 **THE COURT:** Okay. Mr. Kassabian.

9 **MR. KASSABIAN:** Thank you, Your Honor.

10 I do want to clarify that the two magistrate cases ending
11 71438 for Mr. Garcianava, and Ms. Faz and Mr. Solorio ending
12 71467, one of those does have wiretap discovery that has been
13 already provided in bulk directly and the other does not.

14 **THE COURT:** Yes. I misread your outline here. So
15 the -- Mr. Ellis then is appointed in U.S. vs. Garcianava
16 21-mj-71438, and U.S. vs. Quiros, 21-CR-327, not -- not
17 Mr. Buenaventura's case -- no. It is Buenaventura's case. It
18 is not Mr. Lyons' or Ms. Leonida's case. Okay. Sorry.

19 **MR. KASSABIAN:** Your Honor, I'll further note that my
20 understanding from -- not directly from Mr. Ellis but in
21 conversations with my colleagues, is that Mr. Ellis declined
22 Mr. Garcianava's case because it is a solo defendant, and we
23 have proceeded, like I said, to provide the wiretap discovery
24 already to his counsel, Mr. Buenaventura, so that -- I think
25 the coordination through the Discovery Master probably would

1 delay things going forward. We've come up with a plan to
2 provide that discovery directly.

3 **THE COURT:** Mr. Ellis, is that right?

4 **MR. ELLIS:** Yes, Your Honor. We generally are only
5 appointed to multi-defendant cases. This is a unique
6 situation.

7 Regardless of appointment status, I will work with
8 Government counsel and Defense counsel to get wiretap data to
9 them as quickly as possible, and we can figure out the
10 mechanics later, but we will make sure everyone has access as
11 soon as possible, Your Honor.

12 **THE COURT:** Okay. Thank you, Mr. Ellis.

13 **MR. KASSABIAN:** So, Your Honor, in light of that,
14 obviously I think the Court's order stands, and we will
15 coordinate with Mr. Ellis whether we provide the discovery
16 directly in that case and continue to do so or coordinate with
17 him.

18 I will say that for the other cases ending in 338 or
19 higher -- and this goes to some of the comments by
20 Mr. Guy-Smith -- the Government has provided discovery in the
21 form of FBI and DEA reports about the various controlled buy
22 transactions, and as I mentioned a moment ago, the wiretap
23 discovery in the Garcianava case, the only one that wiretap
24 discovery is implicated.

25 Regarding Mr. Munoz's case in particular, ending in 345,

1 we have discovery reports that include the date, time,
2 location, persons involved, and pertinent recorded
3 conversations summarized in FD-302 reports and photos and lab
4 reports.

5 What Mr. Guy-Smith was alluding to is the fact that we
6 have not provided the audiovisual or audio recordings in
7 connection with those controlled buys. We are phasing that
8 discovery due to two reasons. First off, there is some
9 sensitivity as to the confidential human source involved, but
10 also there is another more practical issue, Your Honor, in that
11 phasing of this discovery allowed us to provide the initial
12 discovery along the lines I just articulated for Mr. Munoz's
13 case to all the defendants. And fundamentally the one time we
14 tried to provide audiovisual discovery in one of the cases, we
15 received several emails. There was a lot of back and forth
16 over difficulty in access, and we just decided to put a pause
17 on that and focus on getting everybody to the same place where
18 they understood the nature of the accusations being made
19 through additional discovery.

20 So I believe we've achieved that, and unless the Court has
21 any questions, that's all I have.

22 **THE COURT:** All right. I think that's all for now.

23 So let's get -- now that I have an understanding and an
24 overview, let's go ahead and get dates.

25 Let me first deal with the six cases that are identified

1 as the wiretap cases. I don't know if the defendants have
2 talked amongst themselves with respect to when I should have
3 you in for a status. For right now, I'm going to have you all
4 on one day. And between now and then, we will try to figure
5 out how to make sure we have audio access with Atwater, and
6 I'll contact the marshal myself to figure out how we can do
7 that.

8 So has there been any discussion with respect to how much
9 time we're looking at before I should have you in for a status?
10 Ms. Shifman? Mr. Babcock?

11 **MR. BABCOCK:** Yes. Erik Babcock for Mr. Perez in the
12 328 case.

13 I would suggest 90 to 120 days, something in that range.
14 Hopefully we will have had a chance to get through much, if not
15 all, of the wiretap material before then.

16 **THE COURT:** Given the holiday, it's probably 120 days,
17 is probably the better approach. Let me ask this: If anybody
18 in -- if any of the lawyers in those cases -- 21-328, 21-312,
19 21-311, 21-325, 21-327, and then the magistrate judge case
20 versus Garcianava, 21-71438 -- if anybody has an objection with
21 respect to setting a status conference in approximately 120
22 days, please speak now.

23 Okay. The record will reflect silence, which for Defense
24 lawyers is always an oddity, if you will allow me a tiny bit of
25 humor.

1 Okay. Let's go ahead, because I know you are all busy,
2 and set this for a Friday morning at 9:00 a.m. March 25. That
3 way if you're in trial, frequently Fridays are dark. That
4 should allow you to be present. March 25, 9:00 a.m. Check the
5 docket for the manner in which we will proceed. It could, in
6 fact, be by a Zoom platform again.

7 **MS. SHIFMAN:** Your Honor, if I may, with regard to
8 that date -- Gail Shifman on behalf of Mr. Coria in 312 -- I
9 will be in trial before Judge Alsup on that day, but I will
10 have one of my colleagues specially appear.

11 **THE COURT:** Okay. Thank you, Ms. Shifman. I almost
12 thought about the next Friday, but that would be April 1st, and
13 I thought, no, let's avoid April 1st.

14 **MS. SHIFMAN:** I will be in trial on that day, too.

15 **THE COURT:** Well, but, you know, by 9:00 you will be
16 taking your first break because you will have been there since
17 5:00 a.m.

18 **MS. SHIFMAN:** I will be eating lunch.

19 **THE COURT:** Okay. Now, the next set, even though
20 these are all individual cases, but, again, to just -- for
21 efficiency purposes, my plan would be to set them all on the
22 same date as well, and we can go through them and would go
23 through them individually.

24 So would any of the attorneys in the remaining cases like
25 to make a suggestion for how much time you need before I should

1 engage with you in a status conference?

2 Ms. McGlenon, your video is still on.

3 **MS. McGLENON:** Oh, sorry.

4 **THE COURT:** Mr. Taback?

5 **MR. TABACK:** Thank you, Your Honor. I'm on 21-00339.

6 My client is Melissa McCabe. And I was going to suggest a
7 status date of either March 17th or 24th.

8 **THE COURT:** Okay. Well, I'm not going to do it on the
9 24th because Thursdays are my standard in-court date for
10 criminal pleas and sentencings. I could do the 18th of March,
11 which is the prior Friday.

12 **MR. TABACK:** That should work.

13 **THE COURT:** Does anybody on the remaining cases have a
14 different perspective than that that has been suggested by
15 Mr. Taback for the next -- for a status conference for
16 March 18th at 9:00?

17 **MR. GUY-SMITH:** Your Honor, this is Mr. Guy-Smith on
18 345.

19 The answer to your question is no; however, we have a
20 previously-set status date which then should be vacated.

21 **THE COURT:** Yes. I mean, it must have been -- to the
22 extent that it happened by stipulation or whatever -- that's
23 one of the reasons I had this, Mr. Guy-Smith, is so that I
24 could get everything on a schedule. So everything else -- all
25 other dates previously stipulated to are vacated.

1 **MR. GUY-SMITH:** Perfect.

2 **THE COURT:** Now, if I go through this, are any of
3 the -- I'm going to go through. If someone could tell me -- if
4 you'll turn on your video and let me know whether your client
5 is being detained at Santa Rita, I'd appreciate it, or if they
6 are out of custody. And I'm going to go through in order.

7 21-338, U.S. vs. Guerrero.

8 **MR. KASSABIAN:** I can speak to most of these,
9 Your Honor, if that might be more efficient.

10 Mr. Guerrero is not being retained. He is being
11 supervised by Pretrial.

12 **THE COURT:** Okay. How about Ms. McCabe in 339?

13 **MR. KASSABIAN:** Ms. McCabe is also being supervised by
14 Pretrial.

15 **THE COURT:** All right. Pacheco in 340?

16 **MR. KASSABIAN:** 340, Your Honor, Mr. Stephens and the
17 Velasco defendants are all fugitives, so I think the next
18 defendant is 344, Mr. Kobayashi.

19 **THE COURT:** Okay. And what's the status there?

20 **MR. KASSABIAN:** He is, I believe, in SLE, again being
21 supervised by Pretrial.

22 **MR. GOHEL:** That's correct, Your Honor.

23 **THE COURT:** Munoz. In 345, Munoz.

24 **MR. KASSABIAN:** Mr. Munoz is being detained at
25 Santa Rita.

1 **THE COURT:** Ms. Ramirez, 346.

2 **MR. KASSABIAN:** Ms. Ramirez and Ms. Carranza, both
3 defendants are on supervised release.

4 **THE COURT:** Okay. And then Urbina, 347.

5 **MR. KASSABIAN:** Marco Urbina is also being supervised
6 by Pretrial. As we said for Max Urbina, he is 1368 in a state
7 court case.

8 **THE COURT:** Okay. And then what about Faz, the
9 magistrate judge case?

10 **MR. KASSABIAN:** The two defendants in that magistrate
11 judge case, Ms. Glendelia Faz and Mr. Jorge Solorio, both are
12 under Pretrial supervision. Mr. Solorio, I believe, has posted
13 a bond.

14 **THE COURT:** Okay. So that works.

15 With respect --

16 **MR. KASSABIAN:** Your Honor, there is one more,
17 Mr. Garcianava, who is also on pretrial release -- I'm sorry.
18 That's my case. I guess he is part of the wiretap cases.

19 **THE COURT:** Okay. So that works doing this on a
20 Friday.

21 What we will do for the one defendant in the 21-347, U.S.
22 vs. Urbina, Mr. Lyons, your -- oh, but he's -- I've got one who
23 is a fugitive and the other one who is in custody but in
24 Mendocino County.

25 **MR. LYONS:** Yes. He has a state 1368.

1 **MR. KASSABIAN:** Your Honor, sorry. I apologize for
2 causing confusion.

3 The person before Your Honor is on pretrial, and the other
4 person who is not before Your Honor is in Mendocino in custody.

5 **MR. LYONS:** They are brothers.

6 **THE COURT:** In 21-345, Mr. Guy-Smith, your client is
7 being held in custody; is that right?

8 **MR. GUY-SMITH:** That's correct, Your Honor.

9 **THE COURT:** Okay. So with respect to that, I think
10 we've got plenty of leeway. We'll make sure that he's put in
11 Classroom C so that he has access to the proceedings through
12 Classroom C.

13 Everybody else is out -- everybody else is out of custody.
14 So to the extent that they want to participate, there is no --
15 there is no problem with them participating.

16 **MR. GUY-SMITH:** Excellent. Thank you so much.

17 **THE COURT:** Okay. So status conference in all of
18 those cases then -- Ms. Young, did you want to say something?

19 **MS. YOUNG:** Yes, Your Honor.

20 On behalf of Rosemarie Ramirez and Genny Carranza, we were
21 going to request a status date a little earlier, about 60 days
22 out. Is that possible? Or the Court wishes us to stay with
23 the other March date? Both of the defendants are out of
24 custody in that matter.

25 **THE COURT:** Okay. And you think by that date you'll

1 have a good sense about whether we're setting trial or whether
2 there's going to be a resolution?

3 **MS. YOUNG:** Your Honor, they have already begun to
4 produce discovery, and it's indicated we're getting additional
5 discovery in the next week or so, so we --

6 **THE COURT:** This --

7 **MS. YOUNG:** -- we were hopeful that we would have an
8 idea of -- a pretty good idea of where we are going in 60 days.

9 **MR. KASSABIAN:** Your Honor, that's my case. My
10 suggestion would be to have it in March. It is our intention
11 to complete producing any initial discovery and start plea
12 offers and be in a position where we will have a more certain
13 path going forward by that March date. I think in 60 days
14 things will probably still be in process.

15 **THE COURT:** Let me do this. I'm going to set all of
16 the dates for March 17th at 9:00 a.m. For those of you who
17 know me -- and Ms. Young, you -- I don't think you've appeared
18 in front of me -- you all know that I am accessible. If you
19 need to get on my calendar before then, all you need to do is
20 send a joint email to my CRD and ask to get on the calendar. I
21 usually do statuses at this point by the Zoom platform on
22 Wednesday afternoons at 2:00 p.m., which is at the end of my
23 trial date.

24 Those who have regularly practiced in front of me know
25 that we get you on very quickly without any problem. So if you

1 need -- Ms. Young, if you are ready and you need to see me,
2 just send an email, and we will get you on typically within a
3 week. All right?

4 **MS. YOUNG:** That's fine, Your Honor.

5 **THE CLERK:** Your Honor, the date is March 18th, right,
6 not March 17th?

7 **THE COURT:** Did I say it wrong? Thanks, Frances. And
8 see why -- I hope Aris is listening because Frances always
9 catches these little things.

10 Yes. Friday, March 18th.

11 **MR. TABACK:** That was a good catch.

12 **THE COURT:** And she does it with such grace.

13 **MR. TABACK:** Effortless.

14 **THE COURT:** All right. So let's do that. I will --
15 my plan is to exclude time under the Speedy Trial Act until the
16 status conferences in each of these cases, that being either
17 March 18th or March 25th, for effective preparation of counsel.

18 These are -- we are still in the early stages of
19 discovery. Much discovery hasn't yet been produced. There
20 will be holidays, and so I'm assuming that attorneys are also
21 taking a small measure of vacation, so for continuity of
22 counsel at this point if anybody objects or believes that time
23 should not be excluded under the Speedy Trial Act, please say
24 so as I go through the case numbers; otherwise, I will record
25 an agreement.

1 So any objections in 21-311? Hearing no objections, time
2 is excluded.

3 Any objections in 21-312? Hearing none, time is excluded.

4 Any objections in 21-325? Hearing none, time is excluded.

5 Any objections in 21-327? Hearing none, time is excluded.

6 Any objections in 21-328? Hearing none, time is excluded.

7 Any objections in 21-338? Hearing none, time is excluded.

8 Any objections in 21-339? Hearing none, time is excluded.

9 21-340, 341, and 342 are all in fugitive status.

10 Any objections in 21-344? Hearing none, time is excluded.

11 Any objections in 21-345?

12 **MR. GUY-SMITH:** In that regard, Your Honor -- this is
13 345?

14 **THE COURT:** Yes, sir.

15 **MR. GUY-SMITH:** My understanding, after the
16 representations made by the United States Attorney that the
17 discovery will be on a roll-out basis -- is it my understanding
18 that that discovery, which will be on a roll-out basis and
19 specifically the audio recordings of my client, will be
20 supplied to me before the next status date? Because if they
21 are, then I'm of one view, and if they're not, then I'm of
22 another.

23 **MR. KASSABIAN:** I'm not in a position to make that
24 representation at this time, Your Honor.

25 **THE COURT:** All right.

1 **MR. KASSABIAN:** We have a lot of discovery to go
2 through.

3 **THE COURT:** Do you want to set an earlier date in your
4 case?

5 **MR. GUY-SMITH:** Quite frankly, not if we're not going
6 to be able to be doing any work. The real issue is when do I
7 get this discovery for purposes of, in fact, making a
8 determination of whether or not we are going to resolve the
9 case or whether the case is going to be set for trial? If I
10 know when that's going to occur, I have a rough idea when that
11 is going to occur, then the date that is set by the Court, the
12 March 18th date, is an excellent date. It works perfectly.

13 **THE COURT:** So I don't want to belabor this point. I
14 obviously don't know myself when it's going to happen. So my
15 question to you is do you want an earlier date?

16 **MR. GUY-SMITH:** Yes.

17 **THE COURT:** Okay. When do you want to come back,
18 Mr. Guy-Smith?

19 **MR. GUY-SMITH:** Sometime in February or January. Late
20 January, early February.

21 **THE COURT:** I can put you on January 26th.

22 **MR. GUY-SMITH:** Excellent.

23 **THE COURT:** At 2:00 p.m.

24 **MR. GUY-SMITH:** Perfect. That works.

25 **THE COURT:** Okay. Are you prepared to exclude time

1 under the Speedy Trial Act until January 26, 2022?

2 **MR. GUY-SMITH:** Yes, I am.

3 **THE COURT:** All right.

4 The next case then, U.S. vs. Ramirez, 21-346, any
5 objections? Hearing none, time is excluded.

6 Any objections in U.S. vs. Urbina, 21-347? Hearing none,
7 time is excluded.

8 The two magistrate judge cases are not in front of me so I
9 don't know that I need to make any findings with respect to
10 those two cases, even though they are being given status
11 conferences at this date and there are other proceedings
12 happening in front of the magistrate judge.

13 **MR. KASSABIAN:** Actually, Your Honor, if I may, we
14 don't have a pending date before the magistrates. We obtained
15 and -- stipulated and obtained orders for waivers through
16 today, and that was one of the issues I wanted to raise with
17 Your Honor, as to how Your Honor wishes us to proceed before
18 the magistrates or this Court, including for SDA purposes.

19 **THE COURT:** Okay. Can I get the lawyers then from
20 those case?

21 **MR. LYONS:** Your Honor, this is -- I'm Robert Lyons,
22 and I'm here on Glendelia Faz, which is 71467, and I'm also
23 here on Marco --

24 **THE COURT:** Urbina.

25 **MR. LYONS:** Yeah, which is 0347.

1 **THE COURT:** We're talking specifically about the Faz
2 case and the Garcianava case.

3 **MR. LYONS:** Okay.

4 **THE COURT:** So I don't know what your stipulations are
5 or were.

6 Ms. Leonida, if you could get on the platform as well if
7 you're still here. Maybe she had a hearing. There you are.

8 So until I have a district court case, it's -- the case is
9 not actually in front of me. If you want me to -- if everybody
10 agrees that time is excluded, I can make that finding, but you
11 all have to make the proffer.

12 **MR. LYONS:** Your Honors, as to Ms. Faz, we are
13 prepared to make that proposal to the Court.

14 **THE COURT:** Go ahead, Ms. Leonida.

15 **MS. LEONIDA:** On behalf of Mr. Solorio, we agree that
16 exclusion of time is necessary for effective preparation of
17 counsel.

18 **THE COURT:** Okay. And this is through March 18th for
19 the two of you; correct?

20 **MR. LYONS:** Exactly.

21 **THE COURT:** And then Mr. Buenaventura, what's your
22 position?

23 **MR. BUENAVENTURA:** I agree, Your Honor. I have no
24 objection to that.

25 **THE COURT:** And do you agree?

1 **MR. BUENAVENTURA:** Yes.

2 **THE COURT:** All right. So for those two cases, time
3 is excluded under the Speedy Trial Act until March 18th, 2022,
4 in the Faz, Solorio-Mendoza case, and March 25th, 2022 with
5 respect to the Garcianava case.

6 **MR. BUENAVENTURA:** Thank you, Your Honor.

7 **THE COURT:** Is there something I need to know with
8 respect to agreements that you all made today?

9 **MR. LYONS:** No.

10 **MR. BUENAVENTURA:** No, Your Honor.

11 **MS. LEONIDA:** No, Your Honor.

12 **MR. KASSABIAN:** No, Your Honor.

13 Well, I should add, Your Honor, because they are
14 magistrate cases, I believe the stipulation will also
15 contain -- and we will follow up in writing -- a waiver of a
16 preliminary hearing pursuant to Rule 5.1 until that March date.

17 **MS. LEONIDA:** That's correct, Your Honor.

18 **MR. BUENAVENTURA:** Yes, Your Honor.

19 **THE COURT:** I think once that happens, then it will
20 get a district court number.

21 **MR. LYONS:** That's fine.

22 **THE COURT:** I don't know exactly, but at some point
23 I'm assuming it will.

24 Okay. Now, I think we have accomplished all we are going
25 to accomplish today in terms of organizing all of these cases

1 and getting them on some track together, getting Mr. Ellis set
2 so he can do his work.

3 **MR. KASSABIAN:** Your Honor --

4 **THE COURT:** If anybody wants to say anything --
5 Ms. Shifman?

6 **MS. SHIFMAN:** A procedural question, Your Honor.

7 If we do need to come back with regard to the designation
8 of discovery as protected, any issues on that, do we do that
9 before Your Honor, or is that something you're going to want to
10 send to the magistrate court?

11 **THE COURT:** I'll probably send it to the magistrate
12 court, and I'll issue an order as to who the magistrate judge
13 is that will be designated.

14 **MS. SHIFMAN:** Okay. So should we file it in the first
15 instance with you if we need to file it and then you'll refer
16 it out?

17 **THE COURT:** I'm going to issue an omnibus order with
18 respect to all this, and I will add it in there.

19 **MS. SHIFMAN:** Thank you.

20 **MR. LYONS:** Thank you, Judge.

21 **THE COURT:** Any other questions? Ms. Leonida?

22 **MS. LEONIDA:** I wanted to say goodbye to Frances. We
23 will miss you.

24 **MR. KASSABIAN:** I'm sorry, Your Honor. I do have a
25 couple of clerical matters.

1 One is that in the Kobayashi case ending 344, we have
2 submitted a prior stipulation extending the Speedy Trial Act
3 through today and the stipulated protective order, which is in
4 line and mirrors all the other ones, and we appreciate
5 Your Honor considering them in due course.

6 And then the other issue --

7 **THE COURT:** So Kobayashi is what number?

8 **MR. KASSABIAN:** 344.

9 **THE COURT:** Okay. So we will issue the protective
10 order on that one. And I have extended the Speedy Trial Act
11 with respect to that case already, but I will -- I'll issue the
12 order with respect to your stipulation through today.

13 **MR. KASSABIAN:** Thank you, Your Honor.

14 And then just noting for the record per Mr. Guy-Smith's
15 request, the arrest warrant in Mr. Munoz's case -- and that is
16 case ending 345 -- the arrest warrant in that case erroneously
17 and with a clerical error stated that it was issued pursuant to
18 a violation of supervised release when, in fact, it issued
19 pursuant to the Indictment in that case.

20 Mr. Guy-Smith has asked that we also prepare a notice in
21 writing so that that's also stated in the docket by written
22 notice, and we will be doing so as well.

23 **MR. GUY-SMITH:** Thank you for that courtesy and that
24 attention.

25 **THE COURT:** All right.

1 Mr. Vaughns, sir?

2 **MR. VAUGHNS:** Your Honor, you mentioned an omnibus
3 order, and I'm wondering, given that I don't know how many
4 clients are in Santa Rita, whether you would consider adding a
5 clause in your omnibus order about allowing tablets to be used
6 by clients there rather than have each of us send you a
7 separate motion and having you deluged with particular orders
8 like that.

9 **THE COURT:** Okay. So let me see because I usually
10 just refer to those -- if somebody could send me the language
11 that is the traditional language the jail looks for with
12 respect to that, I can add that into the order.

13 **MR. VAUGHNS:** I'll do that, Your Honor. Thank you.

14 **THE COURT:** Thank you, Mr. Vaughns.

15 Okay. Anybody else want to turn on their video?

16 Ms. Moeel?

17 **MS. MOEEL:** Yes, Your Honor. I was wondering if you
18 might consider a standing order for us to have a transcript
19 produced of these status hearings on some expedited basis so we
20 can send it to our clients, particularly those of our clients
21 who are in Atwater or whose presence is waived, not able to
22 attend. Hopefully they will in the future, but in meantime --
23 we found in another multi-defendant case during the pandemic
24 with Judge Seeborg that that was useful, and so we would ask
25 for you to please consider that.

THE COURT: Okay. I'll check in with Judge Seeborg about his order.

MS. MOEEL: Thank you.

THE COURT: It sounds reasonable. Let me -- I don't know what you mean by "expedited," so let me look into that.

MS. MOEEL: Okay. Great.

THE COURT: Anybody else? No? Okay. Then since I won't see you until March of next year, I wish you all a very happy and safe holiday. Thanks for coming onto the platform and helping us to run these proceedings in an organized way.

Thank you for all your great words to Frances. I'm sure she is a little bit embarrassed, but I know that she appreciates it.

MR. LYONS: She is only a little bit embarrassed, Judge.

THE COURT: Okay.

Ms. Overbeck, did you want to say something?

MS. OVERBECK: No, Your Honor, I just wanted to say thank you.

And I wanted to thank Ms. Stone as well. I don't know if the Government weighed in on that, but we do appreciate your years of service, and we will miss you at the court deeply.

THE COURT: Good enough. Take care everyone. Happy Holidays. We're adjourned.

(Proceedings adjourned at 11:32 a.m.)
